In accordance with Minnesota Statutes, the following must be included on all disclosure statements:

“You may be responsible for any liability that results from contamination at a facility where your waste has been deposited. Minnesota believes that its waste management system provides substantially more financial and environmental protection than depositing waste in landfills in most other states. Managing your waste responsibility in Minnesota may minimize your personal liability.”

As noted above all disposal facilities utilized by LJP Enterprises Waste & Recycling L.L.C. are located within the State of Minnesota and meet all State and Federal requirements.
